

Why major in **BIRTH THROUGH KINDERGARTEN?**

Graduates develop skills to **teach infants, toddlers, preschoolers and kindergartners with and without disabilities.** Majors are prepared to work in settings serving young children, including public schools, early intervention programs, education and residential placement centers.

apply at application.uark.edu

What will I **study?**

- Infant & Toddler Development
- Child Development
- Child Welfare
- Parenting & Family Dynamics
- Special Education
- Emergent & Developmental Literacy
- Child Guidance
- Rural Families & Communities
- Children & Adolescent Literature
- Language & Literacy Pedagogy
- Administration & Leadership in the Helping Professions

What can I do **after graduation?**

Continue your education

with acceptance into Graduate or other professional schools, or a Child Life Specialist program.

Certification: Graduates earn an Arkansas state license to teach in birth-kindergarten classrooms.

Work in these industries:

- Preschool Education
- Special Education
- Early Childhood Centers
- Curriculum & Assessment
- Language & Literacy
- Community Education
- Kindergarten Education

What can I do **beyond the classroom?**

Birth Through Kindergarten students can join any of the **more than 20 student clubs and organizations** in Bumpers College, as well as gaining hands-on practical experience at our Jean Tyson Child Development Study Center.

You can take advantage of experiential learning opportunities by participating in **study abroad** excursions, completing **internships** with prospective employers and conducting **undergraduate research** through the Bumpers College Honors Program.

Scholarships

Bumpers College awards more than **\$760,000** for approximately **500 scholarships** each year. Our support is more, per student, than any other college on campus, and **more than 70 percent of students who complete the application process are awarded at least one scholarship.**
